**Superb Decorations.**

The house decorating firm of Miller & Middleton of Monroe street have wrought out many of the choicest novelties of the season. They have decorated the great eastern centers of trade, and with consummate skill and sagacity have selected the best and most beautiful gems of the year's product. During the season they have taken many of the most expensive jobs in their line which have ever been let in the city, and in each case have supplied examples of the highest type of interior decoration known to the decorator's art. The firm makes a specialty of room work, both in oil and water color. Many of the finest ceilings of the city have been produced by them. Especially in oil they have made great triumphs. They now rank second to no concern in the state in this department of art.

The firm is one of the leading institutions of the city and enjoys increasing patronage.

**No More Regular Meals.**

From this date Senator Douglass of the Douglass restaurant will discontinue serving regular meals and confine his business to short order work exclusively.

**WARM WEATHER HAS COME AT LAST.**

The Best Season of the Year to Treat Chronic Catarrh.

Understanding that a great number of people have been cured of chronic catarrh by taking Fe-ru-na during the past cold season, yet it can not be denied that the cold wet, backward spring has retarded many cures, and in some cases actually prevented a cure. But, after unusual delay, summer has come at last, and now is the time for all catarrh sufferers to begin a systematic course of treatment for this disease. The greatest difficulty in the way of treating chronic catarrh is that the patient is so liable to catch cold during the treatment, and thus derange a cure. This liability at this season of the year, is, in a great measure, removed, and no one should neglect the opportunity to be given treatment.

The proper way to begin treatment for chronic catarrh is to take a tablespoonful of Fe-ru-na before each meal and at bedtime. This dose should be increased so that in one month the patient will be taking two tablespoonfuls at each dose; at which time a report of the case by letter should be made to Dr. Hartman, Columbus, Ohio, and he will advise further.

Every patient should have a copy of The Family Physician No. 2, which is a 32 page pamphlet, giving a complete description of the cause, symptoms and cure of chronic catarrh. Sent free to any address.

**HARRISON AND REID!**  
Tin, tin American tin,  
That is the stuff that's going to win.  
The Democrats scowl and Republicans grin,  
And it's all on account of American tin.  
But some people doubt it,  
Who know all about it.

Hence there really seems to be only one question before the American public today on which all parties are united, which receives the unanimous vote of delegates from all over the country, passes the House and Senate, is signed by the President and becomes the law. IT IS THIS:
